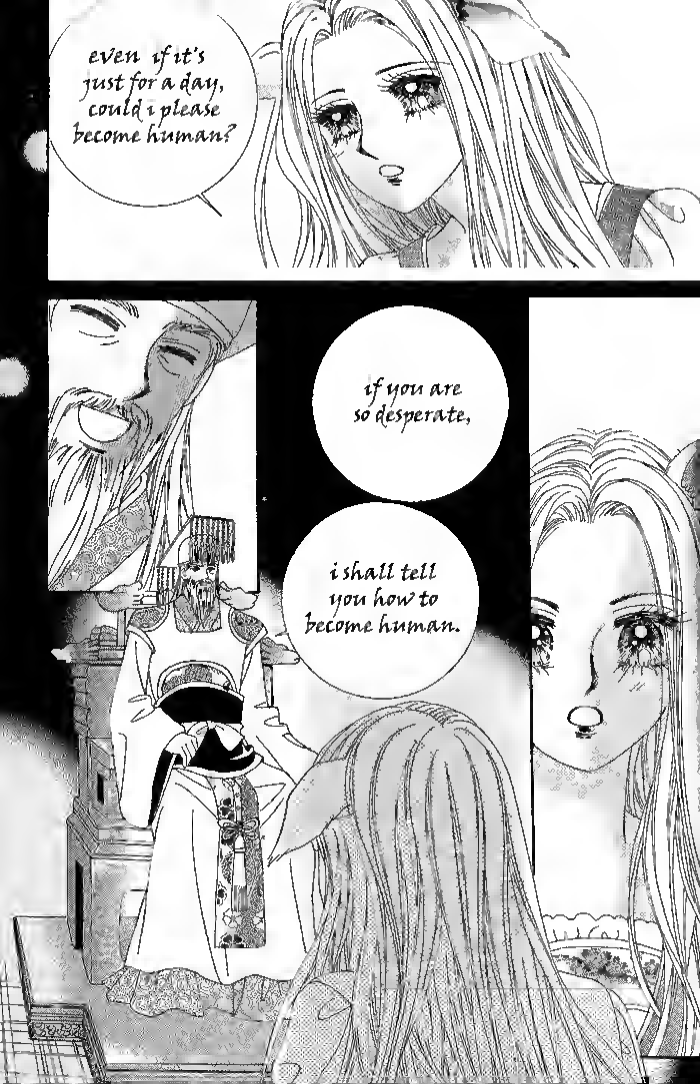
WELL, SEE YOU AGAIN.. IN A THOUSAND YEARS...

a long, long time ago, in the summit of the jiri mountain..
where there were no humans in sight
in a little cave lived a little baby fox.
after a thousand years of receiving sunlight and moonlight, the fox turned into a nine-tailed fox.

there was only one thing she wished for;
she wanted desperately to become human
for another thousand years she prayed to God
until one day, the fox had a dream-- a dream of the king of heaven
Do you wish to become human that bad?
.....?!

yes?
but of course...
i've dragged on with this pointless life for a thousand years now..
i MUST become human!
hoho..

to turn your soul into the human's corrupted evil spirit... is too cruel.
i'll let you roam the heavens freely.
please follow me.
no way...
how could i possibly-!



even if it's just for a day, could i please become human?
if you are so desperate,
i shall tell you how to become human.

is that the truth?
how? how do i become human?
well of course i can! i will and i can!
i wonder if you can keep the promise..

i promise i'll keep it, as long as you tell me how..
please..
haha.. of course.
here i go...
